Although I have two grandchildren, one was born in Florida and one in Pennsylvania, and then they moved to Georgia. I have never been a "hands-on" Grandma. My news is that my daughter just had a baby girl, Emily Gale Barrow. Best news yet, they live in Scotland, CONNECTICUT, just a thirty minute drive away, so I am thrilled! I am in the process of creating a playroom already!

This is Emily Gale Barrow, in Grandma Bonnie's arms, saying "Hello" to the BHS class of '62!

Al Dadd

Al Dadd and his wife Carol in London

Just got back from visiting Bay. First time in years. I knew that the city had built a new high school a long time ago and made our old high school the middle school. I obviously missed the newsletter that told about the city demolishing our old high school and replacing it with an entirely new middle school on the same site. When did this happen?.....**December 22, 2003. If you missed the demolition of the old high school, pictures are on the class website. Al Nelson took several and they are located on the Photo Album page.**

Since my parents (both now deceased) moved out of Bay in 1995, I've had little reason to go back and have been way out of the loop on current events in Bay.

Next major plan for us is a three week trip to Egypt and Jordan this October. Maybe I'll send a picture of us hugging a mummy or in front of a pyramid or something. The picture is of us in front of Big Ben and Parliament, taken last May when we were in London (part of a trip to Belgium, Netherlands and England).

Is it time to start planning for the 50th reunion - its only two years off? **Probably after the first of the year the wheels will start rolling.**

Girls Mini-Reunion by Heather Hall Batley

August 4-11, Heather Hall Batley, Gayle Gosewisch Franta and Jean Sheppard Stapleton all flew out to Swan Lake, Montana to visit Mary Hinzman Blair at her home and cabins. An incredible time was had by all and many, many thanks to Mary and her husband John. There was lots of beer and wine and late nights! Mary was a wonderful tour guide of the entire area and there wasn't anything we missed. We even had a surprise lunch with a classmate of ours! Tom (Pecoraro) Thomas and his wife met us at a brewery in Lakeside, MT. It was wonderful to visit with him after all these years.

Military

It has been brought to our attention that the list of classmates who served in the military has been lost and we would like to put it back on our website. If you served in the military, we would like to hear from you. Please send us the following information: your branch of service, your dates of service, where you were stationed, rank and any other details you would like posted.

Picture in uniform would be awesome!

Several classmates have already sent in their military information and photos. A new page to the website will be added soon so you still have a chance to be included.
